Hi. My name is Nick. I live in the small town near Perth. My favorite sport is fishing.

I often fish for hours without catching anything. But it doesn't worry me. Some fishermen are unlucky. Instead of catching fish, they catch old boots and rubbish. I am even less lucky. I never catch anything even old boots. After having spent the whole morning on the river, I always go home with an empty bag. My friends advise me to give up fishing. But they don't realize one important thing: I am only interested in sitting in the boat and doing nothing at all.
